

## KNITTED NECK GATORS

Supplies:

1. Soft 100% worsted weight wool yarn in tan, brown, gray, or black. These are the only colors allowed by the military. **Only 100% wool is allowed**, because it is inherently non-flammable, which is important in the event of an accident.
2. Size 6, 7, or 8 - 16" circular needle

Directions:

Cast on 112 stitches very loosely. Join (you know the bit about not twisting and such) and rib (knit 1, purl 1 OR knit 2, purl 2) for about 9". Cast off very loosely. Weave in the ends.
