

Application for Membership

Membership in the American Legion Auxiliary is open to any woman who has served in the U.S. Armed Forces during one of the eligibility periods (see application) or who is the mother, wife, daughter, sister, granddaughter, great-granddaughter, or grandmother of someone (living or deceased) who has served during one of those periods.

If the person who gives you eligibility is living, he or she must be a member of an American Legion Post, anywhere in the world. On the application, under Eligibility Information, list the name of the veteran, his or her Legion Member ID Number, and the name of the Post that they belong to. (Note: Once you become a member of the Auxiliary, if the veteran through whom you joined drops his membership to the Post, it does not affect your membership in the Auxiliary.)

If the person who gives you eligibility is on active duty, and is not a member of an American Legion Post, he or she can join San Anselmo Post 179 and the Post will pay their dues, for as long as they are on active duty. You need to obtain something that proves they are on active duty, such as a copy of their orders or a photocopy of their military ID.

If the person who gives you eligibility is deceased, it is not necessary that he or she belonged to The American Legion while alive. No proof of military service is currently required by our Post. All you need to do is list the veteran's name, indicate that he is deceased, and check the box next to the time period during which he served.

Please complete the application, signing in the top box (Signature of Applicant), not in the box which contains the Eligibility Information. Our annual dues are \$20, plus a one-time initiation fee of \$10 to cover the cost of membership materials. Please send your completed application, along with a check in the amount of \$30 payable to ALA Unit 179, to:
